

BUILDING RENEWAL 2020

Update
May 2020

FIRST THINGS FIRST!

The leadership team at PCC (Pastors, Elders, Deacons and Trustees) sincerely hope that you are all doing well and staying safe during this unprecedented time of sheltering-in-place. Please know that we are holding you up in prayer knowing that the Lord is gracious, good and well-able to provide for each of us during this unsettled time. If you have a need, please let us know. We are all looking earnestly to the time when we can gather together again as family to fellowship and renew friendships but especially to worship the Lord together. Hopefully, that will happen in the not-to-distant future!
